

## **Wesley Vaughan Profile**

**My 12 years experience as a Golf Professional stemmed from success as a junior player in the Esso National Junior Open. I relocated from Haverfordwest to Cheshire where whilst playing professionally I developed experience and passion as a golf coach, commencing my involvement in County and National level coaching.**

**Subsequent professional posts across a spectrum of golf environments, from commercial golf academies to a traditional private members club, has developed a flexible and effective approach to teaching individuals at all levels, whom have a passion for learning and progressing their game.**

**My approach to teaching encompasses clear theoretical and practical skill-based playing techniques. I have continued to coach at County and National level and within the past 3 years, whilst delivering a consistent teaching service to a private members club in Oxfordshire, I have been involved in independently delivering tuition at high standard corporate events, local community initiatives and at a renowned public school.**

**In 2009, I relocated to Wales, which has afforded a new opportunity as a Golf Professional to deliver innovative tuition, whilst preserving the traditions of the game.**
